The map below illustrates the French architectural plan of Fort Duquesne in Ohio. Using the VERIFIED list of places, answer the questions below.

1. Label the BAKERY & shade yellow.
2. Label the JAIL & shade green.
3. Label the BARRACKS & shade orange.
4. Label the HOSPITAL & shade red.
5. Label the LATRINES & shade purple.
6. Label the PLATFORMS & shade brown.
7. How many platforms are there? Why do you think there are so many?
8. Why do you think the fort was built in the shape of a star?
9. Why do you think location L leads to the river?

Bonus: What are the English names for the two rivers by the fort? Label each river in English and shade them blue.
